PROGRAM PRESENTATION

Contents:

- ▶ Core Values
- ▶ Mission
- ▶ Our Team

OUR CORE VALUES

COMPASSION

Temporarily suspend judgment so that you can appreciate others' perspectives or situations when they are different from your own. To be compassionate you need to be genuinely concerned about the other person or people's needs.

GRATITUDE

Cultivate the habit of being grateful for every good thing that comes to you, and to give thanks continuously. And because all things have contributed to your advancement, you should include all things in your gratitude.

MINDFULNESS

Take care of ourselves, each other, and the space we share. Mindfulness is at the core of what motivates us, why we choose our passions, and why we love them so much. Being mindful is not always easy, but the reward of slowing down and paying attention is worth the effort.

TEAMWORK

The strength of our team does not only lie in our combined experience and expertise but our ability to trust each other, no matter what the circumstances. We know that our best result is not produced by individuals, but by working as a team and supporting each other at all times.

INTEGRITY

Demonstrate sound moral and ethical principles. Do the right thing, no matter who's watching. Never bend to peer pressure if it results in sacrificing your integrity.

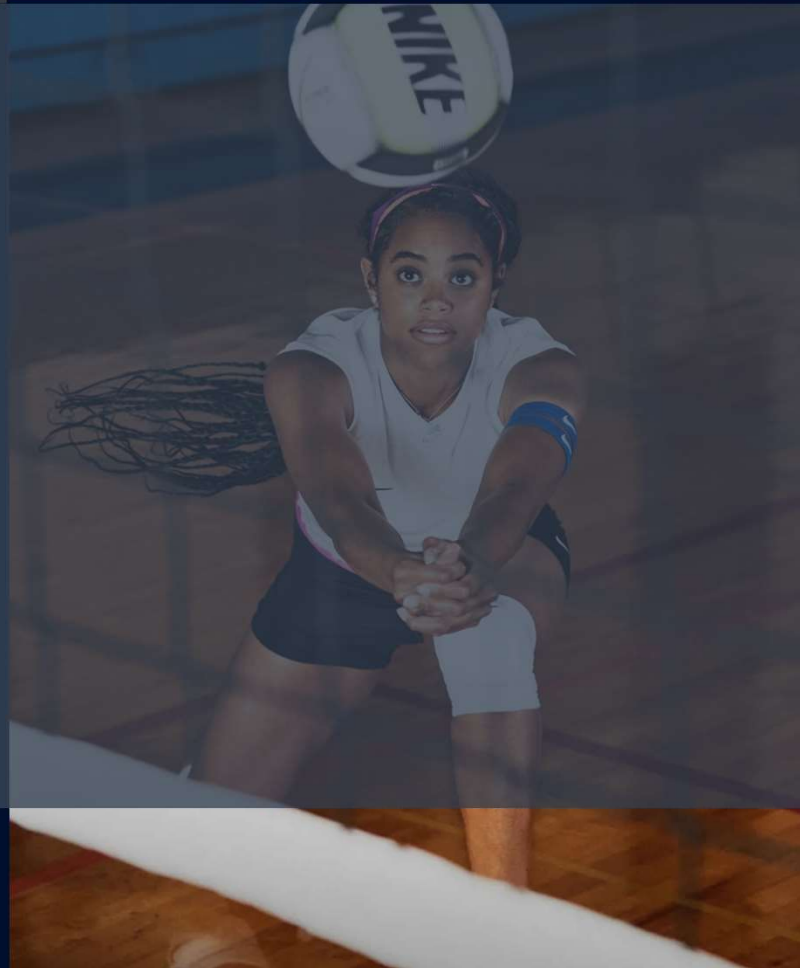

RESPECT

Treat everyone as you would treat yourself. Respect begins within oneself and stems from dignity, a basic human right. Dignity comes from a place of value, worthiness and sense of self-respect.

DEVELOPING YOUTH LEADERS OF TOMORROW

Our mission is to develop our youth athletes into community leaders of tomorrow, making the most of valuable teaching opportunities through volleyball and our core values.

OUR TEAM

JUSTIN BASH, BOARD CHAIRMAN

Justin brings over 20 years of experience with a background in management consulting, corporate strategy and finance for several Fortune 500 companies including Mosaic, Coca-Cola, Outback Steakhouse and Siemens Corp. Justin currently holds two other active board appointments for mid-market companies and will bring his background and experience to support Elites growth as Senior Advisor and Board Chairman.

Justin most recently became interested in volleyball after his daughter grew a love for the sport. Justin is a Florida native and loves practicing volleyball with his daughter in his free time. He holds a Bachelors of Science in International Economics and looks forward to a long future as an advocate for youth sports.

NICK BEHRENS, ATHLETICS DIRECTOR

With over 30 years of playing and coaching experience Nick lives and breathes volleyball. Nick's journey with volleyball started at a young age in middle school sleeping with a volleyball and it's been in his daily life ever since. Nick, along with his beach volleyball playing partner, is widely known as one of the premier youth volleyball coaches on the Suncoast. His teams are consistently in the top of USAV rankings for youth volleyball in a very competitive Florida region.

Nick has coaching experience in volleyball and multi-sport directing. Above all else, the best compliment Nick gets from parents is his connection to his players and ability to foster and cultivate talent to help players realize their full potential.

TIAGO CAMPOS

Head Volleyball Coach

DON O'SHEA
