

AAU and USAV Registration Instructions

Youth athletes playing on an Elite Travel team will be required to register with both AAU and USAV in order to participate in AAU and USAV licensed events. This process is completed each year and includes a small cost which support AAU and USAV as well as extending insurance benefits to athletes while at those events. This document will assist you in registering with each of these organizations which is essential for our travel team athletes.

AAU Registration Instructions:

USAV Registration Instructions (cont.)

Once in sportsengine under the household menu, click on "View details" under your youth athlete's name.

Save membership card using whatever method preferred. We ask you print a copy as well.

The screenshot displays the USAV registration interface. At the top right, there is a navigation bar with "My Teams" and several icons. Below this is a "Household" header. The main content area is divided into two sections: "Profile" and "Organizations". The "Profile" section contains fields for Nickname, Middle Name, Last Name, Suffix, and Date of Birth, with some fields obscured by grey boxes. The "Organizations" section shows a membership card for the "Florida Region of USA Volleyball". The card displays the athlete's name, "22-23 Florida Junior Athlete", and the status "ELIGIBLE". Below the card, there is a "View Details" button. A second membership card is shown below, with a "SAVE MEMBERSHIP CARD" button and a dropdown menu with options: "Print Card", "Save to Apple Wallet", and "Save to Google Play". Below the cards, there are several sections with titles like "22-23 FLORIDA REGION MEMBERSHIP REFUND POLICY" and "22-23 ATHLETE AFFILIATIONS, RELEASES, & TRANSFERS FOR INDOOR JUNIOR CLUBS", each with a "COMPLETE" status and a "View" link.

USAV Registration Instructions (cont.)

After completing registration, you will notify ELITE VOLLEYBALL of your membership. ELITE VOLLEYBALL will then send you an invitation by email you will need to accept. This is a little more clunky than the AAU process but required by the sportsengine system and USAV.

Make sure to watch out for an email from your coach after you have notified him or her that you have registered. This final step is required to complete the process. Congratulations on your USAV membership.
